

JUDITH

We love our Beatrice mirror, but we always wished for more. The Judith is the fulfillment of the dream. Keeping the thin zinc border and antiqued mirrored panels we love, we have added beveling, creating a more striking statement. The play of light off the antiquing and beveling gives it that something special we were always looking for.

■ 34" x 62" ■ 26" x 51" ■ 26" x 38"

Finish: Zinc
(Natural variation to be expected.)
